

MINDENPRIDE

IN THE HALIBURTON HIGHLANDS

Welcome to Minden Pride’s first ever scavenger hunt. Now is your chance to Parade Your Pride Colours across the county as you explore and support local businesses. Remember to take pictures and tag us so we can all enjoy the day together.

You will receive 1 point for each clue answered correctly. In addition you can get 1 bonus point for each picture of any business Parading its Pride that is not on our answer list. (Maximum of 3 bonus points)

The first person who has the most correct answers will be declared the winner and receive a prize. The ‘answer’ is the unique number found on a rainbow heart or, in Highlands East, the number is on the MindenPride Poster.

There will also be additional prizes drawn at random from all who submit their answers on time.

The contest is open until 8:00 pm on Saturday, August the 29th. **Read all clues first, they are in random geographic order.**

You can hand in your answer sheet to the Pride Tent or Pridemobile trailer, or take a legible picture or scan your answer sheets and email to scavengerhunt@mindenpride.ca

Remember your mask, to practice social distancing, and to follow all health rules of participating business.

Name and email address: _____
